

Functional Ingredients

SAFE SUGAR™

- Very-low-glycemic sugar alternative
- Helps reduce blood glucose spikes
- Supports diabetic and weight-management diets
- Industrial and consumer food reformulation

SAFE SALT™

- Sodium-free or reduced-sodium salt alternative
 - Supports heart and blood pressure health
 - Helps lower cardiovascular risk from excess sodium
-

Diagnostic Devices

BioAge™ Device

- Measures biological age
- Tracks metabolic and aging biomarkers
- Supports personalized wellness programs

BSS™ (Bio-Signal Stability Scanner)

- Monitors physiological stability patterns
 - Supports early detection of systemic imbalance
 - Institutional health assessment platform
-

Core Daily & Foundational

Multivitamins

- Provides essential vitamins and minerals
- Supports overall health and immune function
- Daily nutritional foundation

Revitasome™

- Supports cellular repair and renewal
 - Enhances energy and vitality
 - Promotes whole-body wellness
-

Sleep, Stress, Mood & Brain

NSV™

- Supports restful sleep
- Calms nervous system
- Reduces nighttime restlessness

Sajava™

- Relieves muscle tension
- Supports relaxation
- Helps manage physical stress

Natura™

- Reduces emotional stress
- Promotes calm mood
- Supports mental balance

Vyntara™

- Enhances dopamine and motivation
- Supports mood stability
- Improves mental focus

ZYNA™

- Supports brain–gut communication
- Enhances cognitive clarity
- Improves stress resilience

ELEVYNT™

- Improves mental energy
- Enhances cognitive performance
- Supports alertness

BLUENATRA™

- Antioxidant brain support
- Protects neurons
- Enhances memory function

THYNKTIVE™

- Enhances learning and thinking speed
- Supports memory retention
- Boosts executive function

NEUROSENTIA™

- Supports cognitive decline management
- Enhances memory preservation
- Promotes neurological protection

Pain, Inflammation, Joint & Mobility

Luralth™

- Reduces joint stiffness
- Supports cartilage health
- Improves mobility

Inflamcote™

- Controls inflammatory response
- Reduces swelling and pain
- Supports recovery

Nervionya™

- Relieves nerve pain
- Supports nerve repair
- Improves comfort

PAINEXA™

- Natural pain relief
- Reduces inflammation
- Enhances mobility

ATHLEJYNX™

- Protects athletic joints
 - Supports cartilage under stress
 - Enhances recovery
-

Heart, Circulation & Vascular

Niroxane™

- Supports healthy blood pressure
- Improves circulation
- Enhances vascular tone

CAPILLARA™

- Strengthens capillary walls
 - Improves micro-circulation
 - Supports vein health
-

Metabolic, Weight & Glycemic Support

Diabriya™

- Helps regulate blood sugar
- Supports insulin sensitivity
- Controls appetite

NEUROGLYCA™

- Supports brain glucose metabolism
- Enhances cognitive energy
- Reduces sugar-related fatigue

BELLY CUTX™

- Targets abdominal fat
- Boosts metabolism
- Supports weight loss

ORYNTALYS™

- Regulates metabolic signaling
- Improves energy balance
- Supports fat utilization

NIS™ CORE (Day & Night)

- Synchronizes metabolic rhythms
 - Supports circadian balance
 - Enhances recovery and energy
-

Kidney, Urinary, Prostate & Men's Health

Renulytic™

- Detoxifies blood
- Supports dialysis patients
- Enhances kidney efficiency

Renadrox™

- Promotes kidney tissue restoration
- Protects renal cells
- Improves filtration

UriThera™

- Reduces urinary frequency
- Supports bladder health
- Improves urinary flow

Psaguard™

- Reduces prostate inflammation
- Supports PSA balance
- Improves urinary comfort

TestoSafe™

- Supports healthy testosterone
- Enhances strength and vitality
- Promotes male hormone balance

E D™

- Improves erectile function
- Enhances circulation
- Supports sexual vitality

Gout & Uric Acid

Urenzia™

- Lowers uric acid levels
- Prevents crystal buildup
- Protects kidneys

Gouthell™

- Relieves gout pain
- Reduces joint swelling
- Supports uric acid control

Phyturate™

- Controls uric acid production
 - Enhances urate excretion
 - Reduces flare frequency
-

Digestive Support

Diuretic & Digestive Support

- Improves digestion
 - Reduces bloating
 - Enhances nutrient absorption
-

Immune & Cellular Defense

CellC18™

- Strengthens immune response
 - Enhances antioxidant protection
 - Supports cellular defense
-

Longevity & Anti-Aging

Telosyn™

- Supports telomere length
- Slows biological aging
- Enhances cellular lifespan

Telosyn Advanced™

- Advanced telomere protection
- Improves DNA repair
- Promotes longevity

Pinealytica™

- Supports pineal gland
- Improves sleep hormones
- Enhances circadian rhythm

Life74™ Longevity Edition

- Multi-system longevity support
 - Combines hormone, circulation & cellular health
 - Anti-aging foundation
-

Allergy / Histamine / Respiratory

HISTARID™

- Reduces allergic reactions
 - Controls histamine
 - Relieves respiratory inflammation
-

Women's Health

FemBalance™

- Balances female hormones
 - Reduces menopause symptoms
 - Improves reproductive health
-

Anti-Parasitic / Antifungal

WORMINEXA™

- Eliminates parasites
 - Reduces fungal load
 - Cleanses digestive tract
-

Skin / Aesthetic

CLAREVYNT™

- Brightens skin tone
 - Improves clarity
 - Supports collagen
-

Specialty / Additional Product Lines

BRYNTANZA™

- Supports immune regulation
- Enhances cellular resilience

Equanyze™

- Balances neurotransmitters
- Improves emotional stability

PANACLEAR™

- Supports liver detox
- Enhances toxin clearance

Surgelene™

- Accelerates tissue healing
- Supports surgical recovery

Sparitine™

- Reduces heartburn
- Improves gastric comfort

Diveryna™

- Supports colon health
- Reduces diverticulosis irritation

SARCOSTRONG™

- Restores muscle mass
- Improves strength
- Prevents age-related muscle loss
